

Saint Joseph Sainte Epine 2016 Magnum

The Saint Epine vineyard is located right behind Hervé and Beatrice Souhaut's house in the village of Tournay. It lies on an extremely steep slope that is terraced with old rock walls.

Age of Vines: 100 (plus!) year-old non-cloned vines

Yields: 25 hl/ha 1,500 bottles annually

Pruning Method: Gobelet

Soil: Schist

Varieties: Syrah

Vinification Method: Grapes are hand-harvested and undergo a very long maceration at a low temperature without de-stemming. The wine is fermented in wooden tanks and aged on fine lees in second-hand oak casks. The wine is bottled without filtration. The wine has a total SO₂ of only 25mg/L.
