

Savigny Les Beaune 1er Cru Aux Clous 2014

Clous is synonymous with clos. This vineyard is cultivated at mid-slope close to the village and adjoins the cemetery. It includes different types of terrain, comprising of deep, red earth on the upper level and stony ground on the remaining three-quarters. The vineyard is perfectly south-facing. These very pleasant, fairly tender and pleasing wines possess a beautiful color. Less full-bodied but more precocious than the Lavières, they develop a violet fragrance and are very feminine.
